No need to go through the substantiation process – but are you able to confirm that EPA received the vendors names as part of 8c, 13c, and 20c?

We are committed to service excellence.

Anne,

We haven't uploaded the information since it was claimed as CBI (Brenda or Walt can confirm). We'd have to go through the CBI substantiation process prior to being able to share it.

Thanks,

Julie

Hi Julie –

I found in the EPA SP site the RCRA request for information and CLCM's response. Within CLCM's response, CLCM indicated EPA granted an extension to respond to information requests numbers 8c, 13c, and 20c, due September 11, 2017. I cannot find the response uploaded to the SP site --- do you know if the information was uploaded --- if so, which folder?

Thanks anne

We are committed to service excellence.
